

Postponed to a date to be advised

– CQ Bestprac Group Activity

The Rotational Grazing Field Day which was to be held at “Albeni” Springsure on the 20th January has been postponed due to the damage to roads and continuing wet weather being experienced in the region.

We will be in contact with you as soon as a potential new date can be established. It has been suggested that we host a fly in field day for those who are able to fly in. If this interests you, please let us know ASAP.
